

Dr.'s REMEDY Enriched Nail Care FALLS FOR EARTHLY PLEASURES

Move over pumpkin spice, **Dr.'s REMEDY Enriched Nail Care** delivers the dramatic effects of the season, but with a softer touch. Like it or not, fall is approaching at warp speed. And while this year may look different, the comfort found in the rich earthy hues arrives right on cue along with the changing leaves and cooler temps. Whether you are salon-bound or taking the conservative DIY route, **Desire Dark Brown** is like a cozy hug for fingers and toes.

DESIRE DARK BROWN is a richly pigmented, milk chocolate dipped plum shade.

BASIC BASE COAT is an eco-friendly (and earth friendly) gluten free clear base coat that boosts nail health while acting as a color magnet, maximizing polish application and adhesion.

OUR **BASIC BASE COAT** PROVIDES A LONG-LASTING FINISH THAT WILL HOLD ITS OWN AGAINST SANITIZING GELS AND CONSTANT HANDWASHING.

ABOUT DR.'S REMEDY The brainchild of two New York-based board certified podiatrists, Dr. Adam Cirlincione and Dr. William Spielfogel, Dr.'s REMEDY was designed with nail health in mind. Formulated with organic, naturally healing ingredients such as vitamins, kale, cactus and ginseng extracts, along with wheat protein, tea tree oil, lavender, biotin and garlic bulb extract, Dr.'s REMEDY helps heal, protect and ward off infection. The Enriched Nail Polish was the first nail polish to garner the American Podiatric Medical Association Seal of Approval. **DR.'S REMEDY IS A 10-FREE FORMULA AND THE #1 PODIATRIST RECOMMENDED BRAND.**

FORMULATED WITHOUT FORMALDEHYDE OR FORMALDEHYDE RESIN, XYLENE, TOLUENE, TPHP, ETHYL TOSYLAMIDE, DBP OR CAMPHOR | FREE FROM PARABENS
